29 November 1961

MEMORANDUM FOR THE RECORD

Copy 6 of 6 copies

SUBJECT: OKCART Drivers

1. The five drivers recruited to constitute the A group will be involved in suit measurement and Firewall tests and indoctrination during the period approximately 11 - 16 December.

2. To complement the cover pattern, these individuals will first assemble in Washington, D.C. and travel at our direction, and on our funds, to Worcester and Buffalo out of Washington.

3. It is recommended that the occasion of their presence in Washington be used for an informal meeting with certain DPD officials. The threefold objective would be to:

- a. Bolster up their already high enthusiasm;
- b. Preclude speculation between the drivers as to what is in store; and,
- c. Permit those DPD officials who have a legitimate interest to talk with the candidates face to face.

This meeting will be the first in which the drivers merge together as a group, and they will not again be under our close administrative control until April 1962.

4. It is recommended that the above meeting be held on the 8th or 9th of December. If the meeting is acceptable, it is requested that Col. Beerli identify DPD participants who should attend. Arrangements will be made for a suitable safe site.

5. The individuals will go through David-Clark and Firewall in groups of 2 and 3. During the holdover in Washington, [] and the undersigned, with the assistance of [] will further develop with the drivers the cover pattern and scheduling which will be followed in merging the drivers with our training requirements, the vehicle, and ultimately with CIA as civilian employees.
